Hello Mom,

How do you like the new stationary?
Today our Troop went to Big Blue for an
over night hike, but Dvorak, Conroy and
I didn't go so we wouldn't miss Life
Saving.

Today I casted an arrow head with
an Indians picture on it. I also made
my moccasins. Boy the moccasins are
a lot better this year they have
a hard rubber sole on them for only
a \$1.65. Last night we went out in
the war canoe and did I get soaked.
Next Monday is the Owassippe Olympics
I will probably enter in ~~at~~ the war canoe.
For supper tonight we had chop suey but
I didn't eat so much because Kenny
Dvorak got a box of mixed nuts and we
ate the whole pound.

Last night and tonight we sleep in
the leaders tent on nice thick mattresses
Well I guess thats all there is except
send up my money

Dear Mom -

I received the dollar and the box I was washing dishes when the box came. All the scouts said to thank you for the swell cake. We gave some to the Aquatic director Don Johnson he said it was delicious.

Yesterday was the Owasippe Olympics I was in the war canoe, in which we placed second, and a relay runner.

Today is the order of the arrow election I hope I get in. If I do I will have to go out by myself and sleep tonight.

Well hoping I get in
I remain

Dear Mom :-

I received your letter the other day and was glad to hear from you. How are you going to cash that check if it is made out to Mrs. Abraham?

Yesterday afternoon it rained quite hard. Kenny got 2 more boxes today and the box of candy is gone already.

The bugle just blew for life saving so I will have to hurry.

What I really wrote this letter for was to tell you to send up my leathercraft merit badge card. It is in my drawer, it is a ~~with~~ white card with leathercraft wrote on it. Well I suppose I better get going. Don't forget to send a box
So long Bud

Dear Mom:-

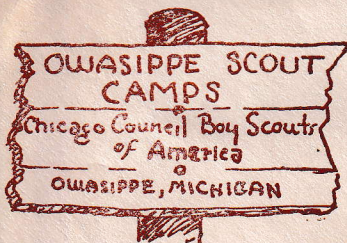

Meal ticket No. 2. Yesterday Rickhoff left for home in Mrs. + Mr. Scott's car. Fitz didn't get here yet, we are wondering what happened. Yesterday the canoe trip was called off on account of bad weather.

This morning we got up and was it freezing. It was so cold that no one can go in swimming. Last night I slept on Fitz's bed. See I better hurry before I am late for mess, hoping I get the box soon I remain
